

Dear Olivier,

Yes this shouldn't be a problem. We will already discuss it in the Executive Committee meeting on 15/01 with the feedback we have received at that point but of course we will take your comments into account at a later stage, too.

I know that the deadline is very short and it's a busy period so we'll try our best to work around it!

Best regards,

Marie

**Subject:** RE: Draft EDF position on the European Accessibility Act

Dear Marie

As you have seen through my e-mail exchange with Catherine, it will be impossible for the BDF to give you an official answer to the EDF position before 21<sup>st</sup> of January.

As a matter of fact, this consultation was launched during a very special period and it was impossible for the secretariat to ask for a concrete involvement of the member organisations of the Belgian Disability Forum before the 20<sup>th</sup> of January.

Is it OK for you if you receive our position on 21<sup>st</sup> ? We will make it straight to the point.

Kind regards

Olivier Magritte

**Objet :** Draft EDF position on the European Accessibility Act

Dear EDF members,

As you are probably aware, EDF has received an early Christmas "present" this year from the European Commission. The [proposal for a European Accessibility Act](#) was published and now it is EDF's turn to define our position and tell the Commission what we think about the proposal.

EDF is consulting all its members in order to present the EU institutions with a strong position representing the whole membership. Individual EDF members are of course welcome to reply to the consultation with their own position in addition to that.

You can find EDF's draft position attached to this e-mail and I'm looking forward to your feedback **before 14 January 2016**. I apologize for the tight deadline and interfering with your Christmas break but there is a strict time limit set by the European Commission [consultation](#) for the initial feedback period which will end on 2 February.

Wishing you a merry Christmas and happy new year from Brussels,

Best regards,

Marie
