Onderwerp: 2017- 20th Anniversary of EDF- your thoughts and plans- reminder about our members survey launched in members mailing

Dear EDF Members,

This is a reminder of something you have already received in members mailing.

Following a discussion at our recent Board meeting in Brussels, we would like to ask for your views on how EDF should mark our 20th anniversary in 2017. We will take your ideas as a starting point for planning a campaign to mark this event. If you could fill out this survey by December 23rd, it would be great. You can be as specific as you like. Also feel free to write to me separately if the survey does not give you enough space. We are interested in particular to hear what kind of actions you may want to propose for the 20th anniversary, at National and also European level.

Warm regards,
Catherine
