Ma proposition est la suivante :

- 1) Contacts, pour tout ce qui est de la gestion au sens large :
 - a. Gisèle Marlière, Gisele.Marliere@solidaris.be
 - b. Pierre Gyselinck, pierre.gyselinck@skynet.be
 - c. Olivier Magritte, (info@bdf.belgium.be)
 - d. Véronique Duchenne, Veronique.Duchenne@minsoc.fed.be
- 2) Member mailing :
 - a. Membres du CA du BDF
 - b. Membres du secrétariat
 - c. Nous pourrions imaginer d'étendre aux personnes de contact dans nos organisations membres, mais, alors il faudra une explication pour que chacun soit bien conscient que les communications directes vers l'EDF ne sont pas souhaitable...
 - d. Etendre à l'ensemble des membres de l'AG me paraît encore plus problématique : cela pourrait « partir dans tous les sens » et, d'autre part, la liste des membres change chaque année

Nous avons CA la semaine prochaine, nous pouvons inscrire le point à l'OJ. Dans ce cas, je préviendrais Loredana que la réponse lui parviendra la semaine prochaine

Objet : Specific questions to EDF Full Members National Councils

Dear EDF national council members,

Happy new year to you all. I am EDFs new internal communications and membership development officer and I would like to start the year by building a good communication with our National Council members. The first steps I would like to take are:

- To ensure we have the right contacts for all of you
- To ensure all of you are receiving the members mailing, including all your colleagues who you would like to receive it
- To ensure all of you and your contacts are receiving EDF external communications and announcements
- To warmly encourage you to plan EDFs 20th anniversary with us

Here are my questions for you:

1. **could you let me know who in your organisation should receive the Members Mailing?**
2. **i have attached the contact database of our National Council Members- can you tell me if there are changes to be done? This is the list to which all official EDF communication to National Councils full members is sent.**

3. Distribute the sign- up for EDFs disability voice using this link: <http://edDif-feeph.us9.list-manage.com/subscribe?u=865a5bbea1086c57a41cc876d&id=cd934df3cf>
4. You can follow EDF on facebook and twitter @myedf
5. In December the EDF secretariat sent a survey to members on EDFs 20th anniversary. Could you fill this in? Or write to me with ideas of what your organisation may like to do for EDFs 20th anniversary. <https://www.surveymonkey.com/r/20yearsEDF>

At our Board meeting in November which most of you attended, we had a detailed discussion on the CRPD follow-up at National level; when An-Sofie returns from leave this month, she will start to work on the follow-up planning at National level with you. She will also continue to support those of you going through the CRPD review process this year.

We also have a number of activities planned with you for this year.

Our new members leder'in, from The Netherlands, will host our March Board meeting and conference on local implementation of the CRPD, the Disability Federation of Ireland will host our AGA, The Slovenian National Council will host our September executive, and the Slovak National council will host our November Board and conference. The Greek national council will host our womens committee meeting. Please let me know if there are EDF events or activities you would like to co-host/ co organise with us in 2016 or 2017.

I am also in charge of the Members Mailing that you normally should receive.

I welcome all your input for Members Mailing at any time.

Thank you very much for your kind feedback. Could you send me all requested info per e-mail and not complete them in the lists. This way I'll do it myself and will not risk to forget any modification indicated by you.

If there is any thing I can do please feel free to contact me.

May all of us have a fruitful year.

Kind regards,

Loredana Dicsi
