

Dear EDF members, delegates to the EDF AGA and Board meetings,

I informed the Board last week that the EDF secretariat is managing cash-flow constraints right now, and until the end of December.

I would like to thank all members for their membership contributes, and other contributions and co financing of our work this year- it is important for our cooperation and the sustainability of EDF.

I would like to apologise to those delegates who have not received reimbursements of their expenses for meetings of EDF governing body meetings. Our cash flow situation will be alleviated partly in January, due to an overdraft facility becoming available. However, until the receive of our funding for 2016, we will be very restricted.

Please contact me if you urgently need reimbursement before January. Otherwise, thank you for being patient until we start repayments in January.

Best regards,

Catherine
