Dear Members,

Some days ago my colleague Laura sent a reminder concerning your interest to participate in the event organized by EDF and the European Commission with the occasion of the European Days of Persons with Disabilities.

As mentioned this one will take place in Brussels on 29 and 30 November 2016 and as each year the European Commissions funds a certain number of places for accommodation and travel.

I need to send this list to the European Commission this end of week. There fore I'd like to know who will represent each National Council.

Could you please send me the name, function and e-mail address for the representative? If someone is assisted please send also the name and e-mail address of the Personal Assistant.

Some organisations and national councils have sent me their details, thank you very much for this. But I still miss quite many of them.

Please let me know by Friday morning at 10 am the neme of your representative and the other requested details.

Thank you very much for your answers.

Have a very nice day.

Loredana
