Dear Marie,

Our General Secretary at KVG, Ingrid Borré, agrees that Herman, if it fits in his agenda, can attend the meeting about adapted cars.

As soon as he is back from leave he can contact you about the meeting.

Regards,
Pierre.

Groeten, Salutations, Regards, Grüße

Onderwerp: Speaker for workshop on adapted cars on 11 October

Dear Pierre,

I'm writing you because EDF was invited by the International Motor Vehicle Inspection Committee (CITA) to make a presentation about adapted cars for persons with disabilities at one of their workshops on 11 October.

I remember that a few years ago (I think it was in 2013), there was a similar event in the European Parliament and EDF was represented by a Belgian person with a disability called Herman Janssens. He was a user of an adapted car and even though I did not meet him personally I think he was very knowledgeable in this field. If I remember correctly, he was also a member of BDF. Do you know Mr Janssens and do you think he could be interested in participating in this workshop on behalf of EDF? I will also be available but I thought it would be good if a user of an adapted car would be there to explain what the difficulties are and how EU policies could improve access to adapted cars.

In case I was confusing things and you don't know him, do you know another person who might be interested in participating? I have attached the draft agenda and flyer for information.

Best regards,

Marie Denninghaus
