

Suggested timeline for advocating for the Accessibility Act (based on AGA discussion)

Timing	Action
June 2016	EDF members to organize meetings with national ministries to discuss the proposal; EDF secretariat provides support if needed (model letter and supporting documents provided to all members)
September 2016	EDF Executive Committee will assess the situation again in September and if necessary call for additional meetings in difficult Member States
November 2016	EDF Board will assess the progress made
