Bonjour

J'ai essayé de récupérer le questionnaire en "word", mais il faut répondre aux questions pour passer à la page suivante.

J'ai demandé à An-Sofie si elle dispose d'une version « Word », elle est en vacance jusqu'au 10/04.

J'ai envoyé une demande via un formulaire e-mail à ENNHRI. Si je reçois (rapidement) le Word, je pourrai envisager quelles réponses donner. Si non, j'en reste là.

Olivier

Collection of good practices on supported decision making in Europe

**Have you got good practices on
supported decision making?
Let us know!**

The European Network of National Human Rights Institutions (ENNHRI) is collecting good practices on supported decision making in Europe. They have put together a **questionnaire** which aims **to collect promising examples of legal frameworks and extra-legal initiatives of supported decision making in Europe.**

We would like to kindly ask you to contribute to the ENNHRI questionnaire. The online survey has 11 questions but it would be amazing to have your responses especially to **questions 3, 7, 10, 11** (although any other information is warmly welcome!).

It would be great if you fill up the survey until **14 April.**
