Dear Olivier and colleagues,

I'm following up with some information from Yannis. He proposes **11 – 12 May 2024** for a possible AGA so if that works for the Ministry/Cabinet of Lalieux that would be great.

Best regards,

Marie

Dear Olivier, dear Natallia,

It was nice meeting you on Monday. I checked and here is the information you asked for:

- Contact in INTER:
tine.missinne@inter.vlaanderen
- For the AGA/Board please find the logistic requirements and a basic budget attached. The Board should ideally be in March and the AGA in May, but there is some flexibility as you know. Maybe you can also think about possible dates from BDF's side before you discuss with the Cabinet of Lalieux.
- Draft Training Plan 2024 – please find the document attached for your information. You will of course be invited but if you want to participate in any specific training or if you want to co-organise something let us know.
- As we agreed for the Belgian Presidency, I will contact the Permanent Representation while keeping you in cc and BDF will be in charge of the communication with the Ministry and inform EDF.

If you need any further information for the organisation of the governing body meeting let us know, we can also meet the Cabinet and talk to them directly if that helps.

Dear Olivier and colleagues,

Thanks a lot for reaching out to us, I'd be happy to meet with you to discuss the work planning. How about Monday, 19 June at 11:00 at Mundo Madou? Otherwise, July would also be fine, as you prefer.

Best regards,

Marie

Dear Catherine, Dear Marie

As you know, the Belgian Disability Forum asbl (BDF) has a limited work force. We are doing our best to be active on as much files as possible. But we cannot follow everything.

Still we would like to improve our work planning.

Would it be possible to have a meeting with you, or with another EDF colleague in order to prioritize our work at the best?

It would also be an occasion for you to know Natallia a bit better?

If you are OK, we could come to your premises for about one hour on 19/06 AM or on 20/06 PM.
This period doesn't suit you, we could do it during the first half of July, then. If so, please propose us some dates.

Kind regards

Olivier Magritte
