**Subject:** Survey: How EDF can support your organisation?

Dear Members,

We would like to kindly ask you to participate in 2 important surveys. Please find all information below.

## 1. What are your organisation's needs?

Mapping of EDF members' needs is organised by EDF Funding and Grants Coordinator to understand better needs and priorities of EDF members in areas of fundraising and capacity building. The collected data will be used to improve EDF's fundraising processes to support EDF's members in more suitable ways.

Please fill in our [mapping survey](#) by 10<sup>th</sup> September.

For any questions, please contact Magdalena Verseckas

We are looking for testimonies regarding:

- Limitations on the use of accessible and assistive technologies

Feel free to share the survey with your members and partners and promote it in your country.
