**25 SEPTEMBER**

**[ACT4SDGS.ORG/REGISTER](https://act4sdgs.org/register)**

For the goals to be reached, everyone needs to do their part: governments, institutions, organizations, civil society and **people like you**.

On September 25th we'll mark the 3rd anniversary of the historic adoption of the Sustainable Development Goals by [joining forces](#) and challenging national & local governments, institutions & organizations of all kinds, influencers & citizens in every corner of the world to take action for the SDGs; to end poverty & inequalities, protect the planet & ensure that all people enjoy peace and prosperity by 2030. **Will you [join](#) us?**

**[Become a partner & register your action at ACT4SDGs.org](https://act4sdgs.org)**

[Learn more about the Global Day to #act4SDGs](#)

**Together, we'll celebrate those who are making a real difference** in their work, home and public life taking concrete actions; and to expand these actions to others; to ensure the SDGs deliver on their promise of a more just and sustainable world in which no one is left behind.

**You are invited to [join](#), share, and inspire even more people to #act4SDGs!**

Start planning your action and building momentum! [Register here](#) to become an #act4SDGs partner.
