

Dear all,

I think Pirkko's question is very relevant for most Member States so if you could add a sentence on the award criteria that would be great.

Thank you in advance, best regards,

Dear members,

I hope you all had a good summer.

I'm contacting you with a short survey on the progress of the Disability Card in your Member States. It's been two years since our last update so I wanted to ask if you have any new information.

Please find the questionnaire attached. Feel free to also distribute it to your members as it also has a section for individual users of the Card. I will also include it in the next Members' Mailing.

Thank you in advance, best regards,

Marie
