Hello Nadia

I'm fine, thank you. I saw you on the other side of the crowd on Monday... But didn't have the opportunity to greet you.

The answer to your question is no. In fact we will decide next week (we have BDF Board meeting) on how we will work on this topic. I guess we will act as usual : I will draft a general note and I will ask BDF members to add specific elements related to their "disability expertise" and "institutional expertise".

For Flanders, the scope could change in the near future according to the development of the "Flemish advice council". I don't have any practical info yet about how we will collaborate.

I'll give you some feed-back

Olivier

Dear Both,

I hope you're good and well.

I ,was just wondering Olivier if inside BDF someone is working on and or covering the Flemish part?

Met Vriendelijke groeten,

With kind regards,

Nadia Hadad

Dear Mia, dear all,

Thank you very much for your email Mia; it is great to see you are so involved! I will be present (online) on the 23<sup>rd</sup> February so I will listen to your presentation with interest. If you can share your PowerPoint before or even after the 23<sup>rd</sup> with the whole group, this would be great as we will all benefit from your experience.

For everyone interested to join online, I have attached the details of the online webinar about the HLPF 2017 Voluntary National Reviews. It is on 23<sup>rd</sup> February from 9.30 to 10.30 am, NY time and Mia will present.

At this stage, it would be great for me to know who is the SDG lead in your respective country. I have the following persons so far:

- **Belgium:** Olivier
- **Denmark:** Signe and Thorkild
- **Italy:** Giampiero
- **Sweden:** Mia and Bengt-Erik
- **Netherlands:** Joris will put me in touch with his colleague.
- **Ireland:** Fiona

I have not had the chance to meet or hear from representatives of:

- Czech Republic
- Cyprus
- Luxembourg
- Portugal
- Slovenia

**So please get in touch with me if you would like me to remove you from this email list and/or if you would like to let me know who should be the SDGs lead in your country.**

Mia: please do share the draft of the 2 pagers you are preparing if you like. I can have a look and see if there is anything else to add. Concerning the indicators, what I have seen so far from Eurostat is very disappointing and not in line with the global indicators, when it comes to disabilities. We still need to come up with a strategy on how best to influence Eurostat so the indicators truly reflected what has been agreed the global level. Again, it is glad to see you are so involved. Are you planning to attend the [IEAG meeting](#)? Deadline to apply is on the 22<sup>nd</sup> February. Catherine and I have to decide if it is strategic for us to attend or if we should use our resources differently.

With warm regards,

Marion
