

1

What is the aim of the Strategy?

- **Objectives:** It aims to ensure that persons with disabilities can experience **full social and economic inclusion on an equal basis** with others and live free from discrimination, in line with the **UN Convention on the Rights of Persons with Disabilities**
- **Approach:** It takes into account the **diversity of disability** (long-term physical, mental and intellectual or sensory impairments) addresses invisible disabilities, and promotes an **intersectional perspective** (multiple disadvantage, e.g. refugee children with disabilities)
- **Learning from experience:** the Strategy builds on the findings of the evaluation of the previous European Disability Strategy 2010-2020, taking into account **emerging and pressing policy needs**

2

Why a (new) Strategy?

- The EU and all its Member States are a party to the UNCRPD
- The strategy **implements the obligations for the EU** under **the UNCRPD**
- Providing **support to EU Member States** in their national implementation of the UNCRPD
- It will help strengthen Europe's role as a **global partner** in combating inequalities
- EU institutions will **lead by example**

3

Why a (new) Strategy?

- Disability policies high on the **EU agenda**
 - Building a Union of Equality in all of its senses – one of the EU priorities
 - Contributing to the implementation of the European Pillar of Social Rights
- Many **EU citizens** affected
 - 87 million people have some form of disability, 1 in 2 of those aged over 65
 - Need for actions that promote an intersectional perspective, addressing specific barriers faced by persons with disabilities
 - Disability is a relative and evolving concept: disability results from the interaction between persons with impairments and attitudinal and environmental barriers

4

What is the current situation?

More than 1 million children and adults with disabilities aged less than 65 and **more than 2 million** aged 65 and over live in institutions

50.8% of persons with disabilities are in employment compared to **75%** without disabilities

20.3% young people with disabilities leave school early, but only **9.8%** of those without disabilities

28.4% of persons with disabilities are at risk of poverty and social exclusion compared to **18.4%** of persons without disabilities

64.3% of persons with disabilities aged 16+ have an internet connection at home compared to **87.9%** of persons without disabilities

National rules deprive **800 000 EU citizens with disabilities** of the right to participate in European Parliament elections justifying on the basis of their disabilities or mental health issues

4 times more persons with disabilities report unmet healthcare needs than those without disabilities

52% of persons with disabilities feel discriminated against

5

What does the Strategy do?

- Combination of disability specific actions + disability mainstreaming
- 87 actions in total
- 7 Flagship initiatives:
 1. European resource centre **AccessibleEU** (2022);
 2. European **Disability Card** (by end of 2023);
 3. Guidance (2023) on **independent living** and **inclusion** in the community;
 4. European Quality Framework for **Social Services of Excellence** for persons with disabilities (2024);
 5. Package to **improve labour market** outcomes of persons with disabilities (2022);
 6. Disability **Platform** (2021);
 7. A renewed **HR strategy** to promote diversity and inclusion.

6

How does the Strategy look?

It contains the following **priority areas**:

1. **Accessibility** – An enabler of rights, autonomy and equality;
 - The EU aims at building a barrier-free Europe in all kinds of environments
2. **Enjoying EU rights** (free movement, participation in the democratic process);
 - Persons with disabilities should enjoy all rights on an equal basis with others
3. **Decent quality of life and living independently** (e.g. independent living, skills, employment);
 - Persons with disabilities have an equal right to live independently and be included in the community
4. **Equal participation and non-discrimination** (e.g. access to justice, health, education);
 - Persons with disabilities have the right to protection from any form of discrimination and violence

7

How does the Strategy look?

It contains the following **priority areas**:

5. **Promoting the rights of persons with disabilities globally**;
 - The EU will continue to uphold the human rights of persons with disabilities in all international relations
6. **Efficiently delivering the Strategy** (e.g. mainstreaming, EU funding);
 - The EU will systematically take into account the needs of persons with disabilities when designing policies
7. **The EU - Leading by example** as public administration (e.g. HR strategy, buildings);
 - The EU Institutions will step up their efforts towards a truly inclusive working environment
8. **Awareness, governance and measuring progress.**
 - The EU will work towards higher awareness and better monitoring

8

European legislation on Accessibility

Thematic legislation

- Transport vehicles (low platform busses, rail, maritime)
- Rails TSI (built environment)
- Lifts
- Electronic Communication (ex 112, service information)
- Audiovisual media services
- Web Accessibility
- Terminals
- Electronic Signatures

Horizontal legislation

- European Accessibility Act
- Proposed: Draft Antidiscrimination legislation

Funding related legislation

- Public Procurement
- Public passenger transport services
- Structural Funds
- Trans-European Networks
- Common Implementing regulation External Action

9

- The Commission will:
- provide a practical guidance to MS to support the implementation of the accessibility obligations under the public procurement Directives;
- include accessibility and inclusiveness in the reinforced EU digital government strategy;
- review the passenger rights regulatory framework;
- launch an Inventory of Assets on rail infrastructure;
- review the Regulation on Union Guidelines for the development of the trans-European transport network;
- revise the Urban Mobility Package to strengthen Sustainable Mobility Planning.

10

What is covered under the EAA?

- Accessibility requirements for carefully selected products and services
- Same accessibility requirements to be used in other EU law (for example Public Procurement)

11

11

Products & services in the scope of the EAA

- Computers and operating systems
- ATMs, ticketing and check-in machines
- Telephones and smartphones
- TV equipment related to digital television services
- Telephony services – emergency communications & answer 112
- Access to audio-visual media services (AVMS) Air, bus, rail and waterborne passenger transport services
- Banking services
- E-books
- E-commerce
- Built environment

12

12

Accessibility related standardization work at EU level

- **Mandate 376:** Accessibility requirements for public procurement of products and services in the **ICT** domain
- **Mandate 554:** Web accessibility Directive (WEB + Mobile Apps)
- **(H) EN 301 549**
- **Mandate 420:** Accessibility requirements for public procurement in the **Built Environment** (including **transport infrastructures**)

EN 17210

- **Mandate 473** to:
 - include Accessibility following Design For All in relevant standardization activities
 - Develop standards addressing accessibility following Design for all in the manufacturing and service delivery processes.
- **EN 17161**

13

Other elements related to the scope

- **-Answering emergency communications to 112**
- **-Built environment (optional)**
- **-Public Procurement for Products and services in the EAA**
- **- EU Acts containing accessibility obligations**

14

Other issues:

- **Related to the scope**
 - Exemption micro enterprises for services
 - Mitigating measures for micro enterprises for product:
 - -Reduction of administrative burden
 - -guidelines
- **Safeguards:**
 - Disproportioned burden criteria

15

- Key provisions for products and services**
- **Accessibility obligations** Free movement of products and services meeting the accessibility requirements
 - Obligations for **manufacturers, authorized representatives, importers, distributors**(Decision 768/2008)
 - Obligations for **service providers**
 - **CE marking** for products (Regulation 765/ 2008)
 - **Self-declaration of conformity** (lightest option)
 - **Market surveillance (compliance, safeguards)**
Authority responsible for compliance of services (check, safeguards)

16

16

Other Key elements

- **-Standards and technical specification**
- **-Enforcement and Penalties**
- **-Timeline for implementation**
- **-Report**
- **Annexes:**
 - Annex I – accessibility requirements and Functional performance criteria
 - Annex II – examples
 - Annex III – accessibility requirements for built environment

17

What are the next steps?

- Creation of a **European Disability Platform** to better coordinate the implementation of the Strategy
- Development of a **monitoring framework** for the objectives and actions of the Strategy
- Systematic **involvement of persons with disabilities** and their representative organisations in the decision-making process.

18

Thank you for your attention
