

CSO statement for an AI Act for Fundamental Rig...

This form is for civil society organisations signing on to the CSO statement "An EU Artificial Intelligence Act for Fundamental Rights: A Civil Society Statement" (<https://cloud.edri.org/index.php/s/q89MYRWqtckR2iw>). Please fill in the details below so that we can add your organisation to the list of signatories and so that we can follow up in case of any issues. Please make sure that you have signed before the end of the working day (CET) on Friday 26th November 2021 and that you have included your email address.

Please do not publicly share the statement before it has been officially launched (currently expected 30th November 2021, date and time to be confirmed via email to all confirmed signatories).

This form is managed by EDRi and personal data submitted about you will not be shared with anyone outside of EDRi. Your email address will be used to liaise with you about your organisation's signature. The details about your organisation will be shared because organisational sign-on to the statement is public.

For any questions or clarifications, please contact sarah.chander@edri.org and ella.jakubowska@edri.org
