On behalf of [European Disability Forum](#) I would like to invite your organization to our new European project SONATA concentrating on fighting violence against women with disabilities. Please find the concept note attached.

About **SONATA** project.

We will submit the application to [CERV call](#) with a deadline 12th April 2022.

SONATA project's goal is to mainstream the rights and needs of women and girls with disabilities in European and national initiatives to combat gender-based and domestic violence, including in legislation, policies and services for victims and to build the capacity of organisations of persons with disabilities, women with disabilities, self-advocates and victims' rights organisations to promote and protect the rights of women and girls with disabilities to be free from violence.
