Dear Catherine

Thank you very much for this report.

For Gisèle Marlière, it will not be possible to match the dead-line of 7 February. Belgium is a federal state and is also multilingual. She has to consult with the other members of the BDF Board before issuing her position. This is particularly important with this topic as the 3 regions have their own electoral legislation.

Reviewing this report will not be possible before 11/02/2022. Would it be possible to adjust the deadline, please?

Kind regards

On behalf of Gisèle Marlière

Dear Board members,

I am delighted to share with you our Human rights report on Political Participation. Please send your feedback to Alejandro and Vanessa by Monday morning – Feb 7th. If you need to longer to review- let us know so we are aware for the design and publication phases.

In particular it will be excellent if you can pay particular attention to references and facts from your country, to ensure they are still up to date.

Thank you all for your input so far- to the researchers at national level and during the EDF human rights committee meeting.

Thank you so much for your feedback and guidance.

Warm regards,

Catherine
