

**DOC-AGA-21-04-03**

## **Appointment of Internal Auditors**

---

### **Document for decision**

---

In conformity with EDF Statutes, the General Assembly is requested to nominate the candidates, who will oversee verifying budgets and accounts for the financial year 2022. It is proposed to reconduct the mission of this year's internal auditors:

- Mrs Jamie Bolling, ENIL
- Mr Raymond Ceccoto, ARFIE

You will find below the curricula of the candidates for your consideration.

### **1. Jamie Bolling**

Mrs. Jamie Bolling is the director of the Independent Living Institute (ILI) in Stockholm and the co-chair of ENIL – The European Network on Independent Living. She was a member of the European Fundamental Rights Platform's Advisory Panel from 2010 - 2014. Jamie has a Master's degree in Social Anthropology and work experience in accounting, disability research, international development cooperation, hate crime as well as other areas concerning disability issues. She is today the vice President of MyRight working with International Disability Development Cooperation and the project leader for the project called Disabled Refugees Welcome which is run by ILI. Combining her experience in politics as a county counselor and from different appointments at local, regional, national and EU level, with her vast knowledge of the international disability movement Jamie works for progress in Independent Living issues, the self-determination of disabled people, access to equality and full participation of disabled people in our societies.

## 2. Raymond Ceccoto

Mr Raymond Ceccotto from Luxembourg, President of EDF Member ARFIE since 1992 (Association for Research and Training on Integration in Europe) has a Master Degree in Psychotherapy. He is Member and Secretary of EGCA – Entente des Gestionnaires de Centre d’Accueils (Luxembourg) – an employer’s network of service providers, General Director of Fondation APEMH – Association des Parents d’Enfants Mentalement Handicapés – Luxembourg, Expert on behalf of ARFIE in the Inclusion Europe Project « Included in Society », Consultant for the Luxembourg Ministry of Family on Future action plan on disability policy in Luxembourg, Project coordinator and promoter of staff training projects in Horizon, Leonardo da Vinci I and II. He also participated and coordinated projects in Helios I and II programmes. He is responsible for the organization, monitoring of different European seminars and conferences on disability matters in Luxembourg and other European Union countries.
