Thank you Marie.

I block 14: pm in the agenda of the Board.

The EDF participant will receive the Teams invitation on 8/2/2021.

French and/or Dutch would be better: we would then save the cost of translation as not every member of our board are used to follow a meeting in English...

Kind regards

Olivier

Dear Olivier,

Happy new year to you too! Good to hear that the transposition is moving forward. We are happy to participate in your Board meeting and present the EAA, could you just let us know if it should be in FR/NL or if EN is ok? That determines also the selection of speakers from our side 😊.

Best regards,

Marie

**Subject:** European Accessibility Act: transposition in Belgian law

Dear Marie, dear Mher

First of all, I wish you both a pleasant and successful Y2021.

After long hesitations, things are moving a little bit in Belgium about transposition of EAA.

We received the names of the lead person in Federal Public Services “Social affairs” and in Economy”. I’m preparing a letter to remind them that they have to consult with DPOs.

Would it be possible for you to participate in the next Board of the BDF, on 9 February, at 14:00 (for example). It would be great to have a “refresh” about this important file which didn’t move in Belgium for so long...

Mathieu Angelo from Cawab and someone from Inter (for Flanders) will be invited too.

Kind regards

Olivier Magritte
