Dear Olivier,

Thank you for your e-mail.

The deadline for replies is **1 July** but depending on how many replies we receive by then we might keep it open over the summer. So if you need a longer extension you can also put 1 September but I assume that most people will go on holidays anyways. We will need the information from this survey only in autumn so there is no rush.

It is unfortunately only available in English but replies can also be submitted in French, Dutch, or German if that is useful for your members. I will be the one evaluating the survey in the end so any language I can read is fine – I just didn't want to advertise it because otherwise we might get complaints if people cannot answer in Latvian or Maltese.

Thank you in advance for your support, best regards,

Marie

**Subject:** EDF survey on independent mobility

Dear Marie

Thank you for organizing this survey. The general prospect is interesting.

I have 2 questions for you:

1. What is the deadline to answer it?
2. Does the questionnaire exist in English only?

I need these information's in order to know if it will be suitable to spread it to our member organization asking them to contact their members or if we have to think about how we could overcome the potential problems

Have a nice day

Kind regards

Olivier Magritte
