

## **CONCEPT of the International Web-Forum dedicated to the World Children's Day**

Comprehensive support to people and children with disabilities, including creation of inclusive environment, protecting and safeguarding their rights identified as priorities of state social policy in Uzbekistan. The implementation of effective measures in these areas has become even more relevant and has intensified during the global coronacrisis.

The large-scale reforms under the leadership of the President of the Republic of Uzbekistan Shavkat Mirziyoyev are primarily aimed at creating legal, social, and economic conditions to support human development in the modern world.

In this regard, in the context of celebrating the World Children's Day and UNICEF's 75th Anniversary, the International Web-Forum «Ensuring inclusion for children with disabilities» is being organized in Uzbekistan.

### **The forum will address the following issues:**

- improving the living conditions of children;
- creating an inclusive environment for the young generation;
- introducing the innovations to social sector;
- international standards for the implementation of the UN Convention on the Rights of Persons with Disabilities, with a focus on the rights of children with disabilities.
- improving the work of national institutions involved in the training and education of children with disabilities.

**The Forum lead organizer** – «Zamin» International Public Foundation.

**International partners** – UNICEF office in Uzbekistan.

**Participants** – senior representatives of the UN Family, representatives of international and regional organizations, government agencies, NGOs, diplomatic corps and civil society.
