

Hi Olivier, I attach the quotation, which is valid for the voice over artists below (we can search for different ones if you want, then the quote may slightly vary depending on who records it).

Hi Magritte,

The video quality is fine to be broadcasted on TV.

Regarding the voice over artists, there is no problem to find voices in any languages, I'm used to do all kinds.

Let me put a quote together, I'll send it to you soon.

Best regards,

Pablo.
