Dear Lucia

Pierre Gyselinck, President of the Belgian Disability Forum (BDF) will join you for this meeting with the Bangladeshi and Kenyan colleagues.

What is the most suitable solution for him to have a parking place near the EDF office?

Have a nice day

**Onderwerp:** Joint meeting DPOs Bangladesh and Kenya

Dear colleagues,

On the first week of December, EDF (who is a partner of the programme [Innovation to Inclusion \(i2i\)](#)) will welcome an i2i delegation made of five representatives of organisations of persons with disabilities (DPOs) from Bangladesh and Kenya. The purpose of the i2i delegation's visit is to bring the voice of Kenyan and Bangladeshi's DPOs to an international stage, ensuring that information on global processes reaches grassroots activists. The visit aims to also strengthen partnership between i2i DPOs and European DPOs.

For that purpose, we would like to invite BDF to join a group meeting **on Friday 6th December, from 12-1pm at the EDF office**. The following organisations have also been invited:

- EASPD
- European Union of the Deaf
- Autism Europe
- ENIL
- Mental Health Europe

EDF invites all of the participants to an Indian lunch at the EDF office which will take place right after the meeting (from 12-1pm).

Could you please let me know if you are interested? And who from you would be able to attend? Thanks!

Do not hesitate to contact me in case of any questions.

Best,

**Lucía D'Arino (she/her)**

**International Cooperation and Communications Officer**
