

Dear Board members,

At our executive committee, there was a first discussion of this draft EDF code of conduct. The code of conduct is required of us from one project donor and the executive agreed to proceed with this with a written consultation with you.

We would like your review of this by November 12th.

I will take all of your feedback and propose a new draft for adoption in due course. If you need longer than till November 12th to review, let me know.

Warm regards,

Catherine
