Objet : RE: BDF - AG 2021: EDF speaker (11/03/2021)

Dear Olivier,

Thank you for the invite. The timing could be excellent, because its possible the strategy will be published towards the end of February. We can certainly provide a speaker – can you leave the name space open for now and I confirm who it will be in the new year?

Warm regards,

Catherine

Subject: BDF - AG 2021: EDF speaker (11/03/2021)

Dear Catherine

During the BDF General Assembly, we use to have an information on one important topic.

For 2021, we thought about the Strategy 2021-2030.

Would it be possible to have someone from your team to give a presentation and have a discussion on the perspectives with our assembly (about 30-35 persons)?

- Thursday 11 march 2021
- 3pm-3:45pm
- 20 minutes presentation + discussion
- Videoconference via ZOOM

The best would be to have someone who could do it in French or Dutch as we already have to provide these 2 languages (+sign languages)

Kind regards
